## Lawton Road Entrance Gate

Coordinates: S 27.320035, E 152.750278
Access to all checkpoints is through this entrance gate.
The gate will be 'Dummy Locked' - leave as is for subsequent operators.
***DO NOT LOCK THIS PADLOCK!***

## Checkpoint 1: Northbrook Bush Camp

Coordinates: S 27.321677, E 152.714852
Distance: 5 km from start

Travel west from the Finish Line for 3 km.
Turn left into Lawton Rd; the sign is inside the gate on the right-hand side.
Continue past the Repeater site until the water tank is on your left and a green post on your right.
Runners approach from your direction, turning right uphill.
Checkpoint should be set up on the same side as the water tank.

## Checkpoint 2: England Creek Bush Camp

Coordinates: S 27.345838, E 152.730526
Distance: 11 km from start

Travel west from the Finish Line for 3 km, turn left into Lawton Rd (sign inside gate, right-hand side).
Go past the Repeater, then left at CP1, continuing down England Creek Rd (keep left).
The checkpoint is located before the creek crossing.

## Checkpoint 3: England Creek & Joyners Ridge

Coordinates: S 27.366238, E 152.730747
Distance: 14.5 km from start

Travel west from the Finish Line for 3 km and turn left into Lawton Rd (sign inside gate, right-hand side).
Continue past the Repeater site, then left at CP1, travel down England Creek Rd keeping left.
After passing CP2 Creek crossing, continue until the sharp left-hand turn (start of Joyners Ridge Rd). The checkpoint is before the left turn.

## Checkpoint 4: Near Apiary Site on Joyners Ridge Road

Coordinates: S 27.346490, E 152.750306
Distance: 17.5 km from start

From the Finish Line, go west 3 km, turn left into Lawton Rd (sign inside gate, right-hand side).
Go past the Repeater site, then left at CP1.
Continue down England Creek Rd (keep left), pass CP2 Creek crossing, keep going to sharp left at Joyners Ridge Rd (where CP3 is).
Proceed along Joyners Ridge Rd until you see several 20L water containers marking the site.

## Repeater Site

This year we will be using VK4RES supported by the Brisbane Area WICEN Group.
